

Coming February 10, 2019!

A Better Online Banking Experience!

New Look. New Feel. New Experience.

Same Advanced Security you know and trust.

Your digital experience is important to us. That's why we're making improvements to your online banking — helping you stay connected to your money, with added convenience, confidence, and enhanced functionality.

On February 10, 2019, when you sign on to Bank of George Online Banking, you'll notice:

An optimized experience

Whether you access online banking from a desktop, tablet or smartphone — the experience will adapt to your device — and include touch-enabled capabilities.

Improved navigation and functionality

Our new, more intuitive navigation and design will provide easier access to key features, making it faster to find the information and tools you need.

Thank you for being our valued customer.
